RE: Immunization Funding Advisory Committee Recommendations

Dear Commissioner Levine:

The Immunization Funding Advisory Committee met on April 19, 2022 pursuant to 18 V.S.A. §1130. The purpose of this meeting was to discuss and vote on the cost of vaccines and the SFY23 assessment rate for children and adults for the Vermont Vaccine Purchasing Program.

We are pleased to report that the Committee voted unanimously on these matters after meaningful discussion. 18 V.S.A. §1130(g) provides that the “Committee is established to provide the Commissioner of Health with an annual per-member per-month cost for vaccines for the pediatric population, an annual per-member per-month cost for vaccines for the adult population, and a recommendation for the amount of the yearly vaccine assessment.” The Committee voted unanimously as follows:

To provide the Commissioner of Health with the Committee’s findings that the per-member per month costs for vaccines are as follows:

	Annual Cost	Per-Month Cost
1. Pediatric population cost:	\$122.88	\$10.24
2. Adult population cost:	\$20.40	\$1.70

To provide the Commissioner of Health with the Committee’s recommendation that the SFY23 Assessment Rate should be as follows:

	Annual Assessment	Per-Month Assessment
1. Pediatric population assessment	\$119.76	\$9.98
2. Adult population assessment	\$20.16	\$1.68

We are writing to forward these numbers for your consideration. The statute provides that these numbers will be established by the Commissioner based on the recommendation of the Committee. If you wish to establish these numbers as recommended, we have included a line below for your signature to adopt these recommendations. If you have any questions, please feel free to contact us, and we will be glad to assist as needed. If you wish to set another rate, please provide further guidance on how we should proceed.

Once you have established these rates, VDH has directed KidsVax® to publish them to the website at www.VTvaccine.org. We will also update the assessment system with these new numbers. We look forward to hearing from you. If we can be of further assistance, please do not hesitate to contact us.

Sincerely,

Everett Lamm, MD, FAAP
KidsVax®

After reviewing the recommendations of the Immunization Funding Advisory Committee, and after consultation with Monica Ogelby, the Immunization Program Manager, I adopt the Committee's findings regarding the cost of vaccines. I further adopt the Committee's recommendations regarding the assessment rate and set the SFY23 assessment rate as recommended. I direct VVPP to post a notice of the SFY23 Assessment Rate at www.VTvaccine.org.

Signed:

5/3/2022
